

# The Hive on Pelissier

The Hive on Pelissier is a new construction located in Downtown Windsor, ON and is a ~20,000 SF, 5-storey Boutique Condominium Development with on-grade parking. The buildings exterior boasts a unique façade with a combination of Faux-Brick EIFS on the building front exterior and patterned metal siding on the rear and sides. Located on a zero-lot line property with restricted access, the A-LINX Building System provided an optimal approach to erection.

**Sector:** Multi-Residential
